Commissioner for Patents

The Appeal Brief filed 4 December 2006 was held defective as set forth in the Notification of Non-Compliant Appeal Brief mailed 2 January 2008. Applicant subsequently properly amended the Appeal Brief to address the necessary issues (that each ground of rejection must be treated under a separate heading). Applicant's corrected Appeal brief has been considered, and a corresponding Supplemental Examiners Answer is enclosed herewith. For the record as required, it is noted that the Reply Briefs of April 27, 2007 and November 7, 2006 have been considered.
